5 YEAR WARRANTY

Streamline Jubilee™

Litter/Recycling Bin

Streamline Jubilee is a compact waste and recycling bin designed for high-footfall environments where larger units would be impractical.

Technical Features

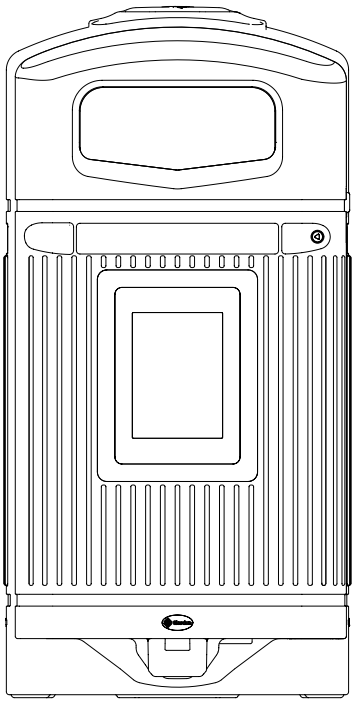

- Compact footprint.
- Domed hood.
- Chamfered apertures.
- Anti-flyposting finish.
- Double-skinned 3-point interlocking slam-shut door.
- Concealed knuckle hinge.
- Liner tray/bait box area.
- Recessed personalisation areas.
- Colours
  Bin Body & Door: Black (15% Recycled Content), Anthracite Grey
