Topsy 2000™ Litter Bin

Purpose-designed for easy emptying without the need for strenuous lifting. The whole bin lifts off the base; the liner then requires only a short lift.

Orbis™ Litter Bin

A contemporary styled robust sack holder, that can be wall or post mounted.

Winter Safety Equipment

Icemaster 25™ Gritter

A handy, lightweight broadcast spreader for use with dry grit/salt, or Glasdon Icemelt™ compound.

Icemaster 50™ Gritter

Lightweight salt spreader that is ideal for keeping smaller sites ice free.

Icemelt™ Compound

Icemelt is a unique ice-penetrating formula, which works faster, spreads further and is more effective than conventional rock salt.

Nestor™ 90 Grit Bin

This tough and durable grit bin is perfect for locations where space may be restricted.

Available as a 12.5 litre tub or 25kg bag

Recycling Bins

Eco Nexus® 85 & 60 Recycling Bin

The economical Eco Nexus recycling bins are available as either 60 litre or 85 litre capacity units. The units take up minimal space, which allows flexibility of siting. Vibrant coloured lids with a choice of aperture options are available to encourage correct recycling usage.

Nexus® 30 Recycling Bin

The compact design of the Nexus 30 is ideal for locations where space is limited, such as school corridors or classrooms.

Loco™ Recycling Bin

An exciting way to create a recycling bank within your school, with four compartments to personalise to your waste streams.

Multi Bin™

A heavy duty container with robust rubber grip handles for easy lifting of heavy loads. Available as an 85 litre or 120 litre capacity unit.

Floor Protection & Signs

Florprotec™ Floor Protection

Florprotec is an indoor ground covering ideal for use in schools designed to protect floors from a heavy pedestrian flow.

Glasdon Gateway

Highly visible display for signage, perfect for entrances to schools.

Seating

Munchy™ The Caterpillar Seat

The friendly character and vibrant colours of Munchy provide an exciting and appealing seat for children.
